Customise The Look

Any furniture that features handles will be supplied with default handles, which in most cases, can be upgraded to a different colour finish to match your brassware. Units with wrap-over handles can be drilled to accommodate alternative styles, but please note this will leave visible holes on the inside of the unit where the original handle was positioned. Edyn & Keva ranges include colour-matched self-adhesive screw hole cover stickers, allowing bar-style handles to be fitted if desired. This table below is for recommendation only and we advise you to check compatibility of your chosen furniture and optional handles before purchasing.

Step 2 - Combination & Depth

Step 3 - Floor or Wall Mounted

You have the flexibility to customize your bathroom units to suit your style and space. Add a base plinth to create a floor-standing look, or for a more modern and sleek design, you can use the wall brackets to mount the units directly onto your bathroom wall.

Step 4 - End Panels & Plinths

Step 5 - Worktop & Basins

If minimalistic is more your style select our Combi Worktop Basin, or you can opt for a Laminate or Solid Surface worktop with a choice of Semi-Recessed & Inline Basins. See pages 88 - 91 for inspiration.

Step 7 - Mirrors

When designing your bathroom, you can choose between matching mirror cabinets on page 86 or LED mirrors and Cabinets on pages 98 - 129. Both options can elevate your bathroom's functionality and style.

RIMLESS FLUSHING

A must-have for modern homes, Rimless Flushing is the latest innovation in bathroom design loved by many for its improved hygiene, better flushing performance and super-sleek look.

Our range of Rimless Flushing Toilet Pans use a direct flush that propels water around the edge of a smooth pan, offering more effective and water-saving cleaning than conventional flushing systems. With no rim around the bowl, there are no hidden areas for germs or dirt to accumulate making it easier to clean and providing a more hygienic environment.

Rimless Flushing is available now across all Fully Enclosed, Open Back, Back-to-Wall and Wall Hung Toilets.
