THE KITCHEN IS THE HEART OF THE HOME WITH THE ICONIC SLIDE & HIDE®

THE ONLY OVEN WITH A DISAPPEARING DOOR

Freedom in the kitchen is what makes us tick, so that's why we invented the Slide & Hide® oven door. Immerse yourself in the joy of cooking thanks to the innovative design that hides the oven door, getting you closer to the cooking and giving you freedom in the kitchen.

See all Slide & Hide® ovens on pages 47-48

We are fully committed to providing excellent customer service and support earning us an excellent rating of 4.7* as of October 2025 with 20,144 reviews.

Invented for life

Live #LikeABosch

For more than 130 years, Bosch has stood for engineering excellence. Our appliances are celebrated for their quality, reliability, innovation and performance, delivering surprisingly simple solutions that make everyday life easier and more enjoyable.

Renew your kitchen in an afternoon

Tiles can be tough to keep clean – grout traps grease, stains, and dirt, making your kitchen feel like hard work. Fibo kitchen boards take the hassle away with a grout-free, antibacterial surface that wipes clean in seconds. Built to last, they combine timeless style with everyday practicality – no scrubbing, no worn-out tiles, just sleek finishes that keep your kitchen looking fresh for years.

Design

A look and feel like tiles, Fibo is the perfect alternative to tile. Unlike other manufacturers, we choose to carve out the grout line during the manufacturing process.

World class system

Our panels are made from a high-pressured laminate front, plywood core and a stabilising moisture backing. They can be glued to existing wall surfaces such as tiles, or screwed directly onto stud walls clicking together to create virtually invisible joint lines and watertight system along with our sealant and profiles.

Responsibly made

We only use PEFC-certified renewable plywood without harmful chemicals. Independent research confirms that our panels have a 37% lower carbon footprint than tiles when installed in a standard kitchen.

See Fibo on pages 38 & 39

Scandinavian heritage and precision engineering make our system easy to fit with long lasting and effortless maintenance and design.

fibo.co.uk

Nikola Tesla. Genius in the kitchen.

The Velvet extractor hob, available in 60, 72, or 83 cm, fits perfectly in both large and small kitchens. Its sophisticated texture conceals a powerful air extraction system, activated with a simple flick of the central flap.

The Smarter Choice™

For all your customers' everyday needs

PRACTICAL

Prima appliances are designed for your everyday needs, and to be easy every time you use them. Whether it is an oven, a microwave, or a washer dryer, most of us will use a small number of programmes most of the time and so our appliances make it really easy to use these programmes and to get great results every time.

For all your everyday needs

EFFICIENT

All Prima appliances have an excellent energy rating, meaning that they are better for the environment and also much cheaper to run.

**FREE
5 YEAR
GUARANTEE**

(5 YR PARTS/2 YR LABOUR)

With our parts & labour guarantee you can have the peace of mind that a Prima appliance will give you easy and reliable everyday use for years to come.

RANGE

The Prima range has everything you need to complete your kitchen, from built-in ovens to the kitchen sink. Whether you prefer a gas hob or an induction hob (which can boil a pan of water in under a minute); ovens with dials or a digital touchscreen; or even if you prefer a 70/30 split fridge freezer to a 50/50 split; our Prima range has a great product to match your preferences.

VALUE

Prima products are specifically built to combine great features and looks at a price that suits every budget, meaning it is the ideal alternative to more expensive brands.

SAMSUNG

More time for
what's important.

Our Home Appliances will be with you for the journey

Samsung offers both outstanding innovation and durable, long-lasting performance. Our home appliances come with a 5-year parts and labour warranty¹ for extra peace of mind. Plus, Samsung provides the industry's longest 20-year warranty² on the refrigeration Digital Inverter Compressor and the laundry Digital Inverter Motor, ensuring exceptional reliability.

It's another great reason to choose our appliances.

1. On selected products, available by redemption within 90 days of purchase, T&Cs apply.
2. The 20 year parts warranty is only applicable to the digital inverter compressor on refrigerators sold in the UK.

Why a food waste disposer is the responsible choice

Your food waste is ground into tiny particles by your InSinkErator® disposer

These are flushed through your plumbing to the wastewater treatment plant

Where they can yield valuable biogas

and fertiliser for agriculture

Food waste is a growing problem

7 million tonnes of household food goes to waste each year. That's £13 billion of food purchased and thrown away. Part of that waste goes to landfill sites, where it emits harmful greenhouse gasses. This could yield renewable energy or natural fertiliser but just 10% is separately collected and less than 7% is home composted. 19 million tonnes of greenhouse gasses are produced every year, just from household food waste.

LOYALTY REWARDS PROGRAMME

abode

We wanted to give something back to Abode retailers. Abode Accumulate members earn points by simply selling any Abode kitchen product.

INVITING YOU TO JOIN TODAY...

Abode are excited to invite existing and new retailers to Abode Accumulate, our new loyalty rewards programme has been designed exclusively for independent kitchen retailers with a showroom.

Abode Accumulate allows you to earn points on each and every purchase of Abode products.

Once you've set up your account, you'll be able to keep track of earned points and exchange them for some truly fantastic rewards.

We also want to make it work for you and love hearing what you have to say. So, whether it be suggestions about the Accumulate programme, our products, marketing, or service, we'd love to hear it. We'll review this feedback weekly and award points accordingly for ideas, feedback or suggestions.

CLAIMING YOUR POINTS IS AS EASY AS ONE-TWO-THREE!

Our service is registered to the requirements of the ISO 9001 Quality Assurance Mark.

All appliances are supported by a manufacturers guarantee for total peace of mind.

Returns Policy & Procedures

Pricing Information

All pricing displayed is at Recommended Retail excluding VAT. Whilst pricing was correct at the time of going to press, we reserve the right to alter prices at short notice for reasons out of our control e.g. currency fluctuations or manufacturer price updates. No further special terms apply to trade prices on promotional items. For the most up to date and accurate pricing and stock information please visit partners.pjh.uk or contact us on **0800 8 77 88 99**.

Promotions

We run frequent promotions on selected appliances, sinks & taps. For information on the latest offers, visit partners.pjh.uk.

Product Information

The basic product information in this brochure is intended as a guide only and more detailed information can be found on our PJH Partners Portal (partners.pjh.uk). However, in either case, we would recommend you consult the manufacturers literature or contact the appropriate Technical Service Department for exact specifications. Whilst every effort has been made to ensure the details contained in this brochure and online are correct, the product offered and conditions of sale may differ from those described or illustrated.

Deliveries

At the time of delivery, you must check all products for any sign of packaging or product damage and check the number of products delivered against the delivery note. You should report any damaged or missing products within seven days of delivery to our Customer Service Team on **0800 8 77 88 99**. Please note that we will not be responsible for any damaged or missing products under delivery which are not reported within this time.

Returns

A return can be requested for any faulty products that do not operate in line with manufacturers guidelines. A return can be requested for products that are surplus to requirements and must be returned within thirty days of delivery*. Special order products that are surplus to requirements cannot be returned. The condition of the products must be confirmed at the point the return is requested.

A return can be raised by calling our Customer Service Team on **0800 8 77 88 99** or emailing sales@pjh.uk or via the PJH Partners Portal: partners.pjh.uk. An email will be sent (to the e-mail address you have provided) to confirm the return request has been raised.

*Miele products that are surplus to requirements cannot be returned.

Faulty Products

For faulty Prima appliance products you should contact the dedicated Aftercare Team on **0344 576 6841** who will arrange for an engineer visit to inspect the product(s). Following inspection, faulty products will be repaired or replaced.

For branded appliances, in all instances, the manufacturer will insist on repairing faulty products on site and must be given this opportunity. Contact details should be provided with your appliance(s), if you don't have these please call our Customer Service Team on **0800 8 77 88 99**. Sinks and taps that are returned as faulty will be returned to the manufacturer for inspection and credit will only be issued, in part or full, as agreed by the manufacturer.

Surplus to Requirements

Products must be returned within thirty days (of their original delivery) in their original packaging and in a re-saleable condition. PJH reserves the right to request photographs of the proposed returned products to confirm condition at the point of return. A standard re-stocking charge of £25 will apply, per order, and must be paid in line with our agreed payment terms. Any products that are surplus to requirements but reported outside of the thirty days from delivery are not eligible for return.

Collections

PJH will attempt to collect products, where reasonably possible, within three days of the return being raised. We will attempt two collections of the return, if both attempts fail, the return will be cancelled. At point of collection the goods returned must be presented in line with the reason for return. PJH drivers are instructed not to accept any products for return that do not comply with the criteria for products that are faulty or surplus to requirement. Collection of products by us does not imply that full credit will be given. If products are received in a condition not stated on the paperwork, PJH reserve the right to refuse any credit. Credits for returned products may take up to three days following PJH or manufacturer inspection. Please note: Manufacturer agreement times may vary.
